A Thuismitheoirí / Dear Parents

'Jurassic Ark Encounters' (NI) will be coming to school to meet all our children from Reception to P4 classes. This promises to be a wonderful experience for the children. They will be provided with interactive, educational hands-on experience with all sorts of animals including snakes from small to large, lizards of various sizes, tortoises and spiders. We would ask that each child provides a donation of £5 to partially cover the cost of this event. School will subsidise the remainder of the cost.

You can see more about what they provide at their website address,
