

JONESBORO'PRIMARY SCHOOL

Principal: Mr Donal Keenan

Tuesday, 12th October 2021

Dear Parents

Next week is maths week and we will be incorporating a variety of maths activities into our daily teaching and homework, as well as class based maths quizzes and practical investigations promoting wonderful fun ways to learn and enjoy maths.

We are also planning some Hallowe'en activities and events in school, for the later part of next week.

As we approach our mid-term and Hallowe'en Celebrations, we would like to invite all children to take part in our Hallowe'en Fancy Dress Parade. The Parade will take place on Thursday 21st October. We urge parents be creative, reuse, make and/or upcycle costumes, for this event.

All children are invited to take part in this year's Credit Union Annual Art Competition. Parents must complete children's entry forms and return to school with children's artwork by the morning of Friday 22th October. Entry forms and details have been sent home with your child(ren)

School will then close at 1.30pm on Friday 22nd and re-open on Monday 1st November.

Finally, we want to wish all our children and parents a happy and safe Hallowe'en.

Kind regards

Marian Litter
