JONESBORO'PRIMARY SCHOOL

Friday, 08 April 2022

Attention Parents and Carers

We would like to raise our concerns regarding Punctuality. We have noted over the past few months that approximately 30% plus of our pupils are arriving for school after **9.15am**, some even close to 9.30.

School starts at **9am** and class teaching begins promptly after registration.

Habitual late arrival has implications not only for the pupil arriving late, also for the wider class group.

We urge parents and carers to make a more conscious effort to ensure their child/ren arrive at school for 9am.

Thank you in advance for you Co-operation
